### **President's Message:**

As the holidays approach, we look back over the past year and remember with pride the special times that have meaning for us. It's not those times when we were so busy we weren't sure we could finish a task, it's the times when we all came together, as a group, to do something special for the club. When we take a moment to reflect on our accomplishments especially the contributions made by each member, we realize that our successes are achieved by hard work and determination along with the willingness of each and every member to keep our club moving forward. Whether you contributed time, suggestions, monetary contributions or gave your support to an event, please know that your actions have positive results. Our programs enlighten and enhance our appreciation of our Irish Heritage. The success of our Fashion Show, will enable us to award scholarships to the children and grandchildren of our members. Our communities benefit from our members' generosity in contributing to the food bank, back to school campaign and toy drive. We also support families in need through our Christmas contributions and our Care and Share and Sunshine committees. All of the board members join me in thanking you for a memorable year. We are proud to serve as officers and look forward to continuing the work of the club in the coming year.
